Greetings from the Reisman Dental Group!

Happy Holidays! The Reisman Dental Group wishes you and your family a heartfelt desire for health and prosperity in the coming year.

TEAM NEWS

You will find your favorite assistants, hygienists, and front office team during your next visit. The stability and experience of our group of talented individuals is here to take care of all of your dental needs.

Becoming a Fellow in American College of Dentists

In September, I took my whole team to Las Vegas, where I was inducted in a cap and gown ceremony into the American College of Dentists - an organization based on leadership, integrity, and community involvement. Only the top 3% of dentists nationwide are given this peer nominated honor.

TECHNOLOGY

Please visit our easy-to-navigate updated website – www.ReismanDentalGroup.com! You can now request appointments online, and we will then email you a confirmation.

We are also moving toward a “paperless” office as we scan charts and x-rays into your digital folder. We already have digital x-ray, intra-oral crown scanning, and caries detection, to go along with our digital lasers - all of which help us provide state of the art dental care for you.

FAMILY

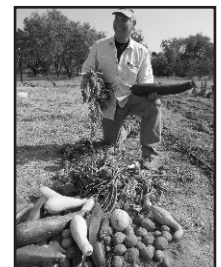

My daughter, Courtney, has decided to change careers. She is currently finishing up her pre-nursing requirements and will be applying to nursing school in the spring. We are excited for her and her new direction.

Our son, Brett, continues to work at AMS, a movie production company, in their sales and marketing area. He also tutors high school seniors for the SAT and ACT tests.

Karen, my wife, continues her busy speaking and consulting business - Speak For Yourself® where she works with organizations who want to speak for themselves to get more business. Find out more at www.KarenCortellReisman.com.

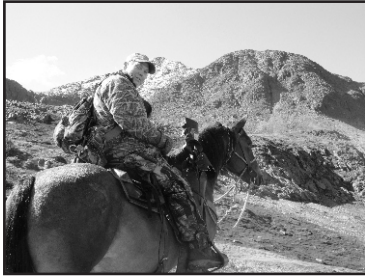

ON A PERSONAL NOTE

I have continued to be a weekend rancher. As you can imagine - that has been a challenge with the drought and range fires. We barely escaped the fires as they crept precariously close. We have been lucky enough to get some rain and the ranch wildlife has persisted. I tried my hand at planting a vegetable garden and it was an amazing success. We built a new steel barn and guest house, also known as my “man cave” - so come on down!

Dr. Reisman
and his veggies

Karen and I traveled to Europe to celebrate our 35th wedding anniversary. We visited Spain and Italy. Barcelona and Rome were our favorite stops.

I took my yearly mountain horseback outback trip to a remote area of the Yukon, camping and hiking without the connection to a phone, Internet, or TV. Fabulous!

Jim and Karen touring around Barcelona

Currently, I am on the board of the Dallas County Dental Foundation, which I helped start in 1996, and we are working hard to build our endowment so we can help with the dental needs of our local community.

It has been another busy and fulfilling year.

Reisman Dental Group continues to make every effort to provide the finest dental care available in the Metroplex. We appreciate your continued support and confidence.

We wish you and your loved ones a blessed holiday season!

Warmly,

Dr. Jim Reisman and THE REISMAN DENTAL GROUP

PS: We hope you will consider referring a friend to us. We welcome your referrals.
