HAPPY HOLIDAYS FROM THE REISMAN DENTAL GROUP!

We wish you good health and good cheer during this coming year.

WHAT'S NEW...

I hope that everyone has gotten a chance to meet our Associate Dentist, **Dr. Jordana Contrucci**, who has just completed her first year at the Reisman Dental Group (RDG). Her excellent people skills coupled with her technical expertise add more options to your dental experience. She welcomes your referrals.

WHAT'S NEWS...

Our "why." Our "why" is to FIND A BETTER WAY to help you achieve optimal oral health. We encourage your questions regarding your dental needs and health. We want to be a part of your plan to keep your teeth for your lifetime.

Our Team. We have a fantastic team at RDG. We welcome our new dental assistance, **Dyan**, who has 13 years of experience in the dental field. She assists both Dr. Contrucci and me in making your visits comfortable and easy.

I am so grateful for our entire team. **Pam**, our office manager, and **Julie**, our appointment coordinator, anchor the front office along with **Jessica**, our hygiene assistant/coordinator. My primary dental assistant, **Kathie**, keeps me focused and our appointments running efficiently. Our four fabulous hygienists, **Amber, Deb, JoDe, and Tara** continue to provide state of the art preventive care. Be sure to ask them if you're having issues with bleeding gums, dry mouth, or tooth sensitivity. Our team ROCKS!

My Family. My daughter **Courtney** continues to find great joy as an Accredited Critical Care RN at Parkland Hospital's Medicine ICU. **Brett** finished a Student Teaching Internship at Lovejoy High School, the 3rd ranked public high school in Texas, and is excited to teach high school Social Studies and English in the coming year. **Karen**, my entrepreneurial wife, is crazy busy with her business, Speak For Yourself®. She works with decision makers to make them better communicators and leaders and to make their businesses more profitable.

PERSONALLY SPEAKING...

As a dentist, rancher, outdoorsman and family man I stay busy. One of my passions is being on the board of the Dallas County Dental Foundation that I founded while being president of the Dallas County Dental Society.

Karen and I had a blast traveling this year. We attended seven weddings for beloved family and friends (none of which took place in Dallas!). We flew to the equator and visited the Galapagos Islands where we swam with penguins, walked with iguanas, observed blue-footed boobies, and hung out with Diego, the oldest giant land tortoise. Your trivia from this newsletter: Diego is over 100 years old but his sex life is the stuff of legend.

Our ranch provided a bumper crop of organic lettuce, vegetables and watermelon. In fact, we became a nomadic farmers market! Our longhorns multiplied with the birth of six calves. One crazy happening – in the middle of our office retreat at the ranch, one of these calves was born for all to see! Amazing!

WHAT'S NEXT...

As dental insurance gets more restrictive, we continue to strive to maximize your benefits without compromising our quality of care.

Go to ReismanDentalGroup.com to find answers to dental questions and make your next appointment.

If you enjoy your visits, **please** post your review on *Yelp* or *Google*.
